# HE MIHI WHAKAWHETAI - OUR GRATITUDE & THANKS

On behalf of the Board, we reflect positively on this reporting period from April 2021 to March 2022 and we remember especially those members of our whānau, hapū and iwi whom we have farewelled. They are not forgotten and should continue to be celebrated as we continue to strive to honour their legacies and develop our future capacity as an iwi.

We also recognize the dedicated commitment of the many individual iwi members who volunteer their valuable time and experience to contribute to the significant outcomes of the Charitable Trust at both governance and operational levels, and for our overall iwi wellbeing in general.

We welcomed three new Trustees elected in 2022, Aperahama Barrett, Janine Huxford and Te Raukura Solomon. The Board has also continued to be well represented by Cherie Seamark, Chris Gerretzen and myself. We thank each individual Trustee for their decision to stand for election and to provide governance to the Board, and the confidence of our iwi membership to endorse them.

We also thank our kaiwhakahaere Janine Davis and Linda Kohunui-Hartman for managing our office administration and for their liaison with our Board, and for the many demands they are asked to manage.

# NGĀ UTU WHAKAHAERE - FINANCIAL MANAGEMENT

The financial reporting and accountability of the Trust is not only critical to our Governance and Operational responsibilities, it also exemplifies integrity, honesty and trust, which has enabled us to meet our contractual, operational, administrative and iwi objectives and responsibilities. The Trust generated a total revenue of \$1,742,188 for the year ending 31 March 2022, which is an increase of 185% compared to 2021.

The significant increase in revenue also reflects the increase in the demands we face across the many portfolios of the Trust and our successful growth in capacity, including Taiao (Environmental Unit), Mahi Mō Te Taiao (Waikanae Jobs for Nature), Manaaki-Kapiti (including Hora Te Pai clinical services), Treaty Claims (Wai 2200 Porirua ki Manawatū district Inquiry & Takutai Moana MACA Application) and the Asset Holdings Ltd (Fish Quota & Housing/Papakāinga).

We should all be very proud of the iwi members who are our Trustees, Directors, Project Managers and Co-Ordinators, Consultants, and principal Advisors and knowledge holders.

Our Kaitiakitanga Monitoring Programme greatly enhances our ability to engage with our Treaty partners through the application of kaupapa based assessments and monitoring of our relationships. Again, Ātiawa ki Whakarongotai is leading this new approach and our confederation partners recognise our progressive and innovative expression of tino rangatiratanga.

The Directors of our Asset Holdings Ltd. have consistently supported the Trust, Whakarongotai Marae and our Rangatahi. Their embarkment into the papakāinga/housing portfolio through the

procurement of external funding and engagement with iwi members is another progressive initiative normally aligned to post-settlement iwi and there are very exciting future prospects for us.

# NGĀ WHAKAPIRINGA - RELATIONSHIPS

We acknowledge the shared whakapapa and generational relationships that identifies the iwi of Ātiawa ki Whakarongotai, and we also recognize the partnerships and relationships we all work very hard to maintain with Kāwanatanga as mana whenua. The expression of our tino rangatiratanga is non-negotiable and the Trust continues to explore new and dynamic ways of sustaining our responsibilities to Te Tiriti o Waitangi.

# **Greater Wellington Regional Council (GWRC)**

Iwi Chairs from Ātiawa ki Whakarongotai, Ngāti Raukawa and Ngāti Toa collectively agreed that our preferred next steps of our partnership with Greater Wellington Regional Council are: -

- 1. A.R.T. iwi to express our collective interest in resetting the relationship between ourselves and GWRC by negotiating/signing a Te Tiriti o Waitangi based partnership agreement,
- 2. Work further on developing and refining the Treaty House model until we are happy with it,
- 3. Once the Partnership Agreement is signed, we will propose an operating model based on the Treaty House model,
- 4. We will negotiate with GWRC the funding and resource model for making it all work.

# Kāpiti Coast District Council (KCDC)

The adoption of our independent Iwi Partnership Review and the 7 recommendations by the Kāpiti Coast District Council (KCDC) was a priority for the last reporting period. We knew this would lead to a transformational partnership and to the benefit of our confederation partners Ngāti Toa and Ngā Hapū o Ōtaki, and again led by our small iwi.

We also received an encouraging indication from KCDC to make provision for a significant increase in the Capacity Funding budget through the draft Long Term Plan process. This was a very

significant outcome for our iwi and has provided further confidence as we reset our relationship with KCDC as a result of our review.

# **Crown Forest Rental Trust (CFRT)**

Our Crown Forestry Rental Trust (CFRT) contracts have continued to be successfully negotiated and renewed during this reporting period and this funding has enabled the Trust to continue supporting individual claimants and claimant groups, and to generate and share information during the remaining Ngāti Raukawa phase of the Wai 2200 Waitangi Tribunal inquiry. The Trust's retention of CFRT client status is a prerequisite to qualify for ongoing funding into 2023. At the time of compiling this annual report the Waikanae Report for Te Ātiawa Ngāti Awa Claims (a prepublication of the future volume of the Porirua ki Manawatū report) has been released, which confirms several breaches of Te Tiriti o Waitangi. We also welcomed Tihema Baker as our new Pou Ākau Project Manager for the Takutai Moana (MACA) application and co-ordinator of the Claims Committee.

# Kāpiti Community Health Network Establishment – (KCHNGG)

The Trust successfully negotiated a contract with Capital and Coast DHB for our iwi to host and cochair the Community Health Network Establishment Governance Group. Our iwi input led by Cherie and myself has included drafting the Terms of Reference, finalising the Charter, developing the Data Management Agreement, Cultural Advice, iwi representation for weekly Operations Team meetings, increasing knowledge of equity amongst Health providers, including Marae based education sessions, developing resources for practices and health providers to identify social issues, support for kaumātua, specifically frail elderly, and Māori Data Sovereignty and the tikanga (principles) aligned to Te Tiriti o Waitangi. Our joint leadership of KCHNGG has also greatly influenced financial and professional support for our iwi led Manaaki Kāpiti COVID-19 Hub response, and the initiative taken to establish the first Iwi Māori Partnership Board in Aotearoa -Ātiawa Toa Hauora Partnership Board.

# TE TIKANGA HAUMARU RESPONSE

The continued disruption experienced from the COVID-19 Delta restrictions in 2021, promoted a new and strategic approach by the Trust for our iwi led Tikanga Haumaru Response Plan, which was effectively implemented through the creation of Manaaki-Kāpiti, and in partnership with our iwi health provider Hora Te Pai.

The Trust commends our Tikanga Haumaru Response Team for managing the hauora of not only our iwi members and mātāwaka but the community of the Kāpiti Coast district in extraordinary times. Their outstanding efforts are reflective of our inherited values and principles as kaitiaki and pou tangata.

On behalf of Ātiawa ki Whakarongotai Charitable Trust, I recommend the adoption of the Annual Report for 2021 to 2022, and once again thank the Trustees, Directors, Project Managers and Co-Ordinators, Consultants, principal Advisors, Iwi representatives, kaitiaki and pou tangata for your significant contributions.

Nā reira, Kia Piki Te Ora,

André Baker Chairman

# MANAAKI KAPITI

AN ĀTIAWA KI WHAKARONGOTAI INITIATIVE

FOR YEAR ENDING: 2021-2022

# OUR MOEMOEA

Our rohe is a place where iwi are leading best practice through bespoke Ātiawatanga service delivery- Moving away from silos, complex systems and mainstream services that have not addressed inequities and disparities for our people and communities.

Ātiawa ki Whakarongotai Charitable Trust and Hora te Pai Health Services have come together to bring COVID care and manaaki to all whanau living within our tribal boundaries - this initiative is called Manaaki Kapiti

This annual report shares our journey of establishing a new service for whānau, hapū, iwi and the wider community.

# MANAAKI KAPITI - Getting started

In early December 2021, a proposal to the DHB, outlining a new way of delivering hauora and manaaki to whānau impacted by COVID-19 was submitted. Ātiawa ki Whakarongotai Charitable Trust was awarded a contract for service with Capital & Coast DHB (now known as Te Whatu Ora) and the Ministry of Social Development (MSD) with the service commencing in late December 2021.

This annual report captures Manaaki Kapiti start up, it highlights key milestones achieved from service conception in late December 2021 to 30 March 2022, and covers:

# BUILD PROJECT - MANAAKI KAPITI HEADQUARTERS

In December 2021, through the significant influence of the Trust Board and the support of the Asset Holding Company, a building was acquired for Manaaki Kapiti COVID outreach service.

From January to March, a significant amount of refurbishment and fit-out was undertaken to transform an unused building to Manaaki Kapiti headquarters.

Manaaki Kapiti now has several offices, two hi-tech meeting rooms, kitchen facilities, a call centre and a community vaccination clinic. It can accommodate up to 30 kaimahi, with carparking for manuhiri and kaimahi and is centrally located.

# RECRUITMENT - FINDING THE RIGHT KAIMAHI

Manaaki Kapiti established its full COVID response service in February 2022, after a recruitment drive to find clinicians, kaimanaaki and a call centre team - we were able to provide care to whanau and community, 7 days per week. Our services include:

# OUR KAI HUB AND RAUEMI

Our distribution hub for kai, some medicines, COVID PPE, Rapid Antigen Tests for local pharmacies, doctors, and community groups and whanau isolating.

# KAIMANAAKI SERVICE

A mobile team dedicated to supporting whānau needs – like prescription pickups, oximeter and medical drop offs and kai deliveries.

# CALL CENTRE

Often our first point of contact, this team look after requests and provide check-in phone calls during isolation period.

# HAUORA SERVICE

A team of medical professionals and clinicians are available to assess and monitor health during isolation.

# TANGATA WHAIKAHA

Disability advisory- a service working with tangata whalkaha/disability whānau.

# COMMUNITY CONNECTORS SERVICE

A navigation and wayfinding service to help whanau impacted by COVID, this service helps access government entitlements and other support whanau might need.

From the outset of service setup, Manaaki Kapiti implemented a range of kaimahi development pathways, from in-house training to external learning opportunities. In March, we put in place an eight – month long programme of weekly learning clinics to encourage our kaimahi to learn more about matauranga Māori values and concepts and practice basic reo -our goal is to enable all kaimahi to be confident in sharing their pepeha with others.

# SERVICE SPECIFICATIONS - OUR MAHI

With 20 kaimahi at Manaaki Kapiti, we have put in place operation systems, referral pathways and processes that enable whānau to receive the full spectrum of care across hauora and manaaki. We have the capability to respond to:

# Whānau needs:

- Test whānau for COVID (swabbing and rapid antigen tests)
- Deliver kai and prescriptions to whanau during their isolation period.
- Deliver special equipment like oximetres, masks and hygiene essentials.
- Provide hauora advice and hauora home visits.
- Get financial assistance for whanau who needs a helping hand.
- Connect whānau to other services like MSD or a GP
- Support tangata whaikaha and their whanau that are impacted by COVID
- Source and deliver other essential items like clothing and blankets.
- Provide regular contact with whanau during their isolation period (txt, phone and visits)

# *The wider community:*

- Provide PPE gear and Rapid Antigen Tests to medical centres, pharmacies and G P's
- Provide Rapid Antigen Tests and masks in bulk to local schools and colleges, marae, churches and community groups.
- Provide regular COVID clinics and support to accommodation providers, including supported living facilities, tangata whalkaha and disability providers.

Support Isolation and Quarantine (SIQ)Facility:

SIQ facilities are set up around the region to provide temporary accommodation for whanau who are COVID positive but can't stay at home or are homeless.

Manaaki Kapiti work alongside MSD and the Māori wardens provide to provide manaaki and hauora support to one of the regions SIQ facilities.

# COMMUNICATIONS AND BRANDING - OUR TOHU

In March, we started work on resources for sharing important information about how to stay safe during the pandemic and how to access important services.

- We started a social media and digital campaign to make sure whanau were receiving important information.
- We launched a website to help whanau navigate services.
- We started developing a whanau COVID care plan- to help whanau plan for 7-10 days of isolation.

As part of our communications and branding work, we adopted a tohu specifically designed for Manaaki Kapiti. The tohu captures our connections to Taranaki and Te Waewae Kapiti o Tara rāua ko Rangitāne (Kapiti

Island). The four waves represent the four tides of Tangaroa.

It is also important that our new tohu showcases the partnership between Ātiawa ki Whakarongotai and Hora te Pai coming together to deliver Manaaki Kapiti services. Both organisation's tohu sit alongside Manaaki Kapiti to form our overall brand.

We would like to acknowledge the talents and generosity of our whanaunga and rangatahi who were responsible for developing our communications, our brand, and our resources.

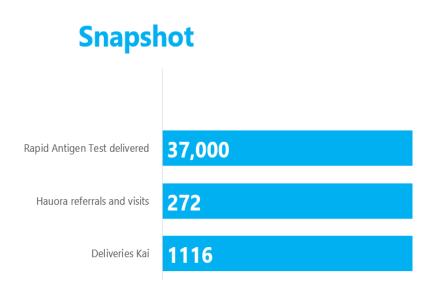

# SNAPSHOT

# IMPACT REPORT: Poutū-te-rangi 2022

Manaaki Kapiti services were set up to provide an immediate response to help whānau living within our tribal boundaries. Part of our service brief was to contact COVID positive whānau to respond to any kai and welfare/manaaki needs while in isolation.

Our hauora team contacted COVID positive whanau to assess any medical or health issues, providing over the phone contact and in-home visits.

In our first three months of operating, we had become a main distributor of essential COVID items and by the end of March had distributed over 37,000 Rapid Antigen Tests to whanau, colleges and schools, local medical centers and community organisations.

Our clinical team received approximately 40 referrals for medial support to whanau per week and were making two in-home visits per day to whānau who required medical attention during their COVID isolation period.

Our Kaimanaaki team had deliver over 460 meals and 353 kai packs to whānau who were required to isolate. Over January, February, and March we also delivered hundreds of hygiene packs with masks, sanitizers, gloves, and other hygiene products to help whanau stop the spread.

# FINANCES

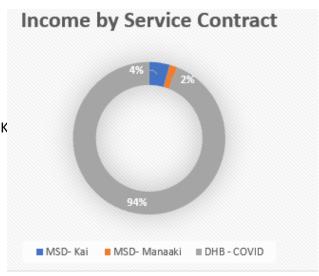

# TRACKING OUR FINANCES: Poutū-te-rangi 2022

This section of the report is intended to give an overview of the financial performance of Manaaki Kapiti. It captures income and expenses associated with the service set up for its first three months of operation.

Manaaki Kapiti has three main income sources through its contracts for services across two funders, these are:

- Ministry of Social Development Funding for Manaaki Services.
- 2. Ministry of Social Development Funding for K
- 3. Capital and Coast District Health Board- Care in the Community.

The District Health Board funding makes up the majority of Manaaki Kapiti income with MSD funding for kai and welfare making up around 6 %

As of 31 March 2022, Manaaki Kapiti had an operating revenue of \$968,162.

As part of Manaaki Kapiti service establishment, a dedicated budget was allocated for set up and refurbishment, this is captured as Leasehold improvements and fixed assets and makes up 46% of total expenses in this period, while 54% of expenses are attributed to employee and operation expenses.

In March 2022, Manaaki Kapiti had been notified of its success in securing additional funding to support kai infrastructure and operations relating to a kai hub and a warehouse for storing medical equipment and kai.

In the coming months Manaaki Kapiti will apply for funding to enhance our pandemic response.

# TE TAIAO REPORT

FOR YEAR ENDING: 2021-2022

# APPOINTMENT OF TAIAO COORDINATOR:

The Trust took a significant step forward in appointing a new Taiao Coordinator. Mel McCormick, a mokopuna of Uncle Manny Parata, was appointed to the role in February 2022.

# REPORT STRUCTURE

This Annual Report will be structured in accordance with the key kaupapa tuku iho as set out in our Iwi Kaitiakitanga Plan.

# KEY KAUPAPA: WHAKAPAPA & WAIRUA

'We maintain our way of life as Ātiawa ki Whakarongotai'

'The environment is a place that supports healthy wairua of the people. It is clean, calm, safe and conflict free.'

'Responsiveness' is a key service Te Taiao provides on behalf of the Trust which involves dealing with a highly regular influx of requests for engagement for all manner of matters that relate to the environment. We average two new projects requiring response per day in addition to standard resource consent processing. In order to uphold our whakapapa connection to our rohe, and to ensure that the wairua of our people, the wider community and the environment are protected, we have to carefully prioritise how we expend our time and resources.

This report is a summary of key matters that Te Taiao have engaged with through the reporting year.

- Te Taiao responded to 143 resource consent applications in the reporting year.
- Te Taiao responded to six archaeological authority applications in the reporting year.
- Te Taiao delivered a total of 86 projects that included both Mana Whenua Assessments (CIA) in response to resource consents or other activities that involved statutory requirements to engage with mana whenua, or broader environmental projects
- The following eight resource management projects either identified Ātiawa ki Whakarongotai as an affected party or had other statutory triggers which required in depth engagement to determine appropriate outcomes:
  - ❖ KCDC Paraparaumu Wastewater Treatment Plant Upgrade Proposal
  - KCDC Stormwater Management Framework and upgrades
  - ❖ KCDC District Plan Change
  - ❖ Takutai Kāpiti
  - Waikanae Library Redevelopment
  - \* Kārewarewa urupā resource consent applications
  - District Growth Strategy
  - ❖ Arvida Retirement Home Development

# KEY KAUPAPA: MANA & MĀRAMATANGA

'Decision-making is informed by iwi knowledge'

'People are able to live their lives in the rohe of Ātiawa ki Whakarongotai in harmony with te taiao.'

Two key projects in this reporting year have been making significant contributions to upholding our aspirations in relation to mana and māramatanga.

# KAITIAKI MONITORING:

Our Kaitiaki Monitoring programme is in its last year of monitoring the post-construction effects of the M2PP Expressway. This is being used to pilot a permanent Kaitiaki Monitoring Programme for the rohe. We anticipate the results of this programme to be reported in the next year, but we have noted significant trends emerging in the presence of heavy metals in mahinga kai species, a loss of watercress sites, and a decline in people's contact with nature.

The surveying conducted as part of this project also looks at the health of our mātauranga Māori continuum and identifies a majority of respondents practicing and teaching various aspects of our knowledge, but fewer respondents practicing rongoā and toi Māori.

# WAIKANAE KI UTA KI TAI: ACTION PLAN

The Pou have developed six Iwi Priority Actions to be included in the final Joint Action Plan:

- 1. Develop a Waikanae oriented education pathway for the people of Ātiawa
- 2. Implement a joint iwi and community programme to share connection to the Waikanae River
- 3. Initiate a partnered management model for Flood Protection Works on the Waikanae River
- 4. Create a living map that provides for integrated management of risk in the catchment
- 5. A Rongoā Waikanae programme addresses the trauma created by degradation of the River

6. Address current threats to mahinga kai species.

# KEY KAUPAPA: TEAO TŪROA & MAURI

'The natural order and balance of the environment is maintained to support the security of people who rely upon it.'

'Land, waterways and mahinga kai are clean and free of pollutants'

The Taiao Unit has been working on various key environmental issues in the rohe that continue to pose risk to our land, waterways and mahinga kai.

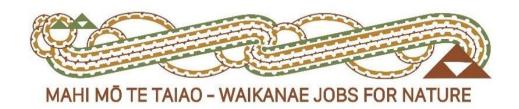

# KCDC PARAPARAUMU WASTEWATER TREATMENT PLANT UPGRADE

KCDC have asked us to prepare a Cultural Impact Assessment for their application to renew their consents for the Wastewater Treatment Plant. The Plant has been non-compliant for some time and is a significant contributor to the declining health of the Mazengarb arawai and mouth of the Waikanae. We have engaged an engineer who is a national expert in wastewater treatment to assist our team on this. Greater Wellington Regional Council, who grants the consents required has also asked us to assist them in the assessment of KCDC's application.

# KCDC STORMWATER MANAGEMENT FRAMEWORK AND CONSENTS

We are working in partnership with KCDC and the other two iwi on the of a development Stormwater Management Framework to guide KCDC's work. We have also engaged an independent ecologist to advise us on stormwater practices required to achieve an appropriate standard of ecological health. Concurrently KCDC is also engaging with us on a range of applications their consent for Stormwater works including global discharge and maintenance consents, Kenakena stormwater pump upgrade, Kākāriki Stream overflow and the Titoki Road upgrade.

FOR YEAR ENDING: 2021-2022

# KAUPAPA - INTRODUCTION

Mahi mō te Taiao - Waikanae Jobs for Nature (WJ4N) project is an ambitious four-year effort to restore the Waikanae River catchment. It aims to build capacity and employment within Ātiawa ki Whakarongotai (ĀKW) and the Kapiti community and to achieve environmental integrity by implementing the principles of Te Ātiawa ki Whakarongotai Kaitiakitanga Environmental Management Plan. Ngā kaupapa, the six key values that underpin our work and objectives are Whakapapa, Mana, Mauri, Wairua, Māramatanga Te Ao Tūroa.

# KO WAI MATOU - WHO ARE WE?

Mahi mō te Taiao - Waikanae Jobs for Nature project is managed by Paekākāriki based environmental business, Groundtruth and is connected to the wider programme Waikanae Ki Uta Ki Tai 'Mountains to Sea' (WKUKT) programme established in 2019 to revitalise the Awa. Both initiatives are a "Tiriti (Treaty) House" partnership of Waikanae mana whenua Ātiawa ki Whakarongotai (ĀKW), Kāpiti Coast District Council (KCDC), Greater Wellington Regional Council (GWRC) and the Department of Conservation / Te Papa Atawhai. WKUKT vision is of Waiora: this community working together under a treaty house partnership, to enhance the lifeforce, vitality and special nature of the whole of the Waikanae Awa. We see the Awa as a living whole of which the community is an intertwined part. By protecting and revitalising the river, our community identity, wellbeing, and prosperity are also enhanced.

WJ4N includes a training programme to enhance Ātiawa ki Whakarongotai (ĀKW) as Kaitiaki within our iwi rohe. The vision of the project is to develop teams that can work across the rohe, helping to restore the awa, the ngahere, and ngā tamariki a Tāne that reside within. We have a native plant nursery to support our mahi, and regularly connect at Whakarongotai Marae to increase our cultural knowledge, connectedness and understanding of Ātiawatanga and kawa.

We treasure the opportunities for our kaimahi to connect with our Waikanae Awa Taiao and put their training into effect to help restore balance to our rohe.

We have a small team of field operators, kaitiaki who whakapapa to the rohe, and kaimahi, and this is an evolving space due to their growth and development and reaching out to other jobs within the community and Aotearoa. We draw on expertise within Groundtruth to help deliver particular skills and experience to grow our knowledge.

# EMPLOYMENT & TRAINING

A key objective of Mahi mō te Taiao - Waikanae Jobs for Nature is to provide employment, with a particular focus on employment and training for Te Ātiawa Ki Whakarongotai.

The project has a target of providing 92 FTE (full time equivalents) over the whole project. An FTE is equivalent to 1 year of employment at 30 hours per week, or 1560 hours per year. This means that on average the project will employ and contract around 20 people over the four years. The aim is that 50 % of these employees and contractors will whakapapa to Ātiawa ki Whakarongotai, we are currently exceeding this statistic, and have attracted a large number of iwi members from Te Kotahitanga o Ātiawa, Ngāti Raukawa me Ngāti Toa Rangatira, our ART Confederation.

The aim is to build a strong team of skilled people who can continue to deliver the important work around restoration of the Waikanae Awa and catchment.

A full training programme and development pathway from introductory through to skills development and more detailed technical training is being provided. This includes training and assessment to unit standards, structured experience, and assessment of competence in different work areas. Kaimahi are supported to advance their employment preparedness and opportunities, with pathway

planning and connections in the wider rohe utilised to advance individual moemoea.

Throughout the training and ongoing employment there are regular opportunities to connect to our tūrangawaewae, Whakarongotai Marae. With each training programme commencing and graduating at the marae, descendants become accustomed with our kawa, roles and responsibilities and deepen their māramatanga through structured wānanga during noho, three times throughout the year. We observe strengthened relationships with whānau, hapū, and iwi, extending our iwi members' natural environment into wider marae and iwi activities, from attending working bees through to whaikōrero on our paepae. Pastoral care is an ongoing refinement and we are very grateful for the hononga with Hora Te Pai Health Services, Manaaki Kapiti and the various wānanga that focus on hauora, whare tapawha, whakapapa, identity, community connections and financial services.

Our project take this opportunity to acknowledge all the tautoko from our mandated iwi organisation, kaimahi and iwi members and all those who have guided and contributed to our journey thus far. We also need to acknowledge the impacts from Covid 19 which permeated through Aotearoa and we were not exempt - With small attendees at Marae events, including our Rā Whakapōtae (Graduations), Noho, iwi engagements and mandated vaccines that made the journey tough on kaimahi, tauira and our iwi, influencing our ability to manaaki and whakawhanaungatanga at Whakarongotai, however, we hope that we stronger now having survived the journey and continue to grow in our mahi mō te Taiao.

# ASSET HOLDING COMPANY REPORT

FOR YEAR ENDING: 2021-2022

The asset holding company has a triple role in our iwi support and administration. Firstly, is the legal requirement of the Maori Fisheries Act 2005 to hold and safeguard the fisheries settlement quota and shares separate from the parent Mandated Iwi Organisation, Atiawa ki Whakarongotai Charitable Trust, as hei taonga tuku iho, a continuing asset for future generations. Secondly, both the Holding Company and the Trust are registered charitable organisations set up to benefit and protect our iwi members and their wider community. To that end the earnings of the holding company provide financial support for the Trust, the marae and tangihanga. Finally, but of considerable importance, is the involvement with the wider Māori fishing industry interests through local, regional, and national inter-iwi representation.

To that can be added the positive and worthwhile benefits drawn from our membership and support of inter-iwi initiatives in the catch and marketing of our annual quota. Our modest crayfish quota is joined with other iwi in the Port Nicholson partnership, and similarly we provide quota and benefit from joint marketing in our support of the Sealord partnership. These arrangements give us the benefit of both marketing larger parcels and also the participation in the marketing.

In spite of a difficult year in which Covid affected production as well as marketing we have been fortunate to achieve a modest gain in earnings. Part of this was because of reduced inter-iwi activity.

Industry agreement to reduce hoki catch as a conservation measure and grow the size of the fish for future catch reduced income at first but there was a compensating increase in world

prices brought about by Covid induced shortages of other fish. We also benefitted from the Chinese restrictions on imports of Australian crayfish.

Prospects for the current year, however, are not as bright. Directors anticipate income from fish quota leasing will be reduced, particularly from crayfish.

Covid also affected the number of tangi held on marae during the past year and consequently the need for our support. However, our charitable effort has been directed to supporting iwi initiatives and joint community charitable activity which our iwi leads. We have increased our

ability to hold frozen product which means we can draw on fish products from Sealord at Nelson using their transport arrangements.

There has also been a lessening of inter-iwi activity, such as the FMA8 forum, and the replacement of hui with on-line Zoom which, while it is a valuable saving in time, loses the kanohi ki kanohi importance. For example, we have not had the valuable Maori Fisheries Conference for three years.

Our finances are sound, and we have good reserves that guarantee an earning to support our commitment to the parent Charitable Trust. However, we have gone through a period where earnings from our maturing investments have been lower. In the current financial year, however, there is some recovery.

Iwi housing initiatives that we have taken under the wing of the Asset Holding Company will be reported on separately. They have not to date required financial support as they have been separately funded.

In accordance with the statutory requirements of the Māori Fisheries Act 2005, directors declare that in the year under review no settlement quota has been sold or pledged as security.

#### SUMMARY: HOUSING REPORT

Ātiawa ki Whakarongotai aspire to increase our economic and cultural footprint in our rohe. ĀkWHL, with the tautoko of our IMO, is focused on understanding our options to invest in housing assets. This kaupapa has two primary foci:

- 1. To explore and provide housing options for kaumatua (and whānaunga in need)
- 2. To increase our asset base and financial position

In June 2020 ĀkWHL entered into a Māori Housing Network Funding Agreement with Te Puni Kōkiri (TPK) who agreed to pay up to \$75,000 (exclusive of GST) to support us to complete a

papakainga planning process to build 6 x 2-bedroom, medium density kaumatua homes as part of our urban papakainga development on our whenua at 11 Elizabeth St, Waikanae (the "Project").

The planning process has progressed to the extent that the Resource Consent Application is in the process of being submitted with KCDC. Refer *Appendix one* for a brief overview of the Project to date.

#### SUBSEQUENTLY:

The Project has led to ĀkWHL contemporaneously investigating additional housing investment/development options as follows:

- ❖ A possible Partnering Agreement with **Utauta Developments** for a portion of their proposed construction of circa 40 medium density mixture of 1,2 & 3 bedroom townhouses on their circa 4000 m2 block at Utauta St, Waikanae
- ❖ A possible Partnering Agreement with **Hāpai Development Limited**. Refer *Appendix two* for a brief overview our developing relationship with Hāpai

#### FUNDING

In addition to the TPK funding mentioned above, a relationship has been forged and conversations are ongoing with the **Ministry of Housing and Urban Development** (HUD). The focus of this kaupapa is to ensure we are aware of how HUD can support (including fund) our housing aspirations. A summary of the activities to date:

- ❖ Dialogue regarding entering into a Partnering Agreement with HUD and Hāpai relating to a proposed multi-dwelling development at Poplar Ave, Raumati (Crown whenua) well underway (refer *appendix two* for additional context)
- ❖ HUD funded Whakarongotai Housing Needs Assessment Grant application for \$20,000 lodged and awarded (awaiting documentation exchange)
- **❖** TPK we will continue to partner with TPK and apply for **both horizontal infrastructure assistance** and their project **Viability Assessment (PVAT)**
- Web view
- \* Registration of Interest (ROI) submitted for **HUD's Affordable Rental Pathway Affordable Housing Fund** (refer below). Currently in dialogue with them as they assess our submission. If successful, this will likely be a multi-million-dollar funding boost.

#### HUD'S AFFORDABLE RENTAL PATHWAY – AFFORDABLE HOUSING FUND

HUD has announced the first round of the Affordable Rental Pathway of the Affordable Housing Fund offering \$50 million of grant funding to not-for-profit organisations to deliver newly built affordable rental housing.
